Computer Services** in  
the Student Center Atrium  
on **Friday, November 14**  
from **10 am – 3 pm** for  
the latest info on viruses  
& computer security.

**AND GET YOUR FREE  
BUGZ PEZ DISPENSER  
WHILE THEY LAST!**

# Stops Here!

**Symantec AntiVirus software must be installed on all on-campus Temple computers.**

To download the software, go to: [\*\*http://antivirus.temple.edu\*\*](http://antivirus.temple.edu)

Temple is also offering a home edition of Symantec AntiVirus software to students, faculty and staff for a small fee. For more info, go to: [\*\*http://www.temple.edu/antivirus\*\*](http://www.temple.edu/antivirus)
